

A person in a blue shirt and dark trousers is walking away from the camera down a central aisle of a large, modern greenhouse. The greenhouse is filled with rows of black trays containing young green seedlings. The structure of the greenhouse, with its metal frame and glass panels, is visible in the background. The entire image has a teal-blue color overlay.

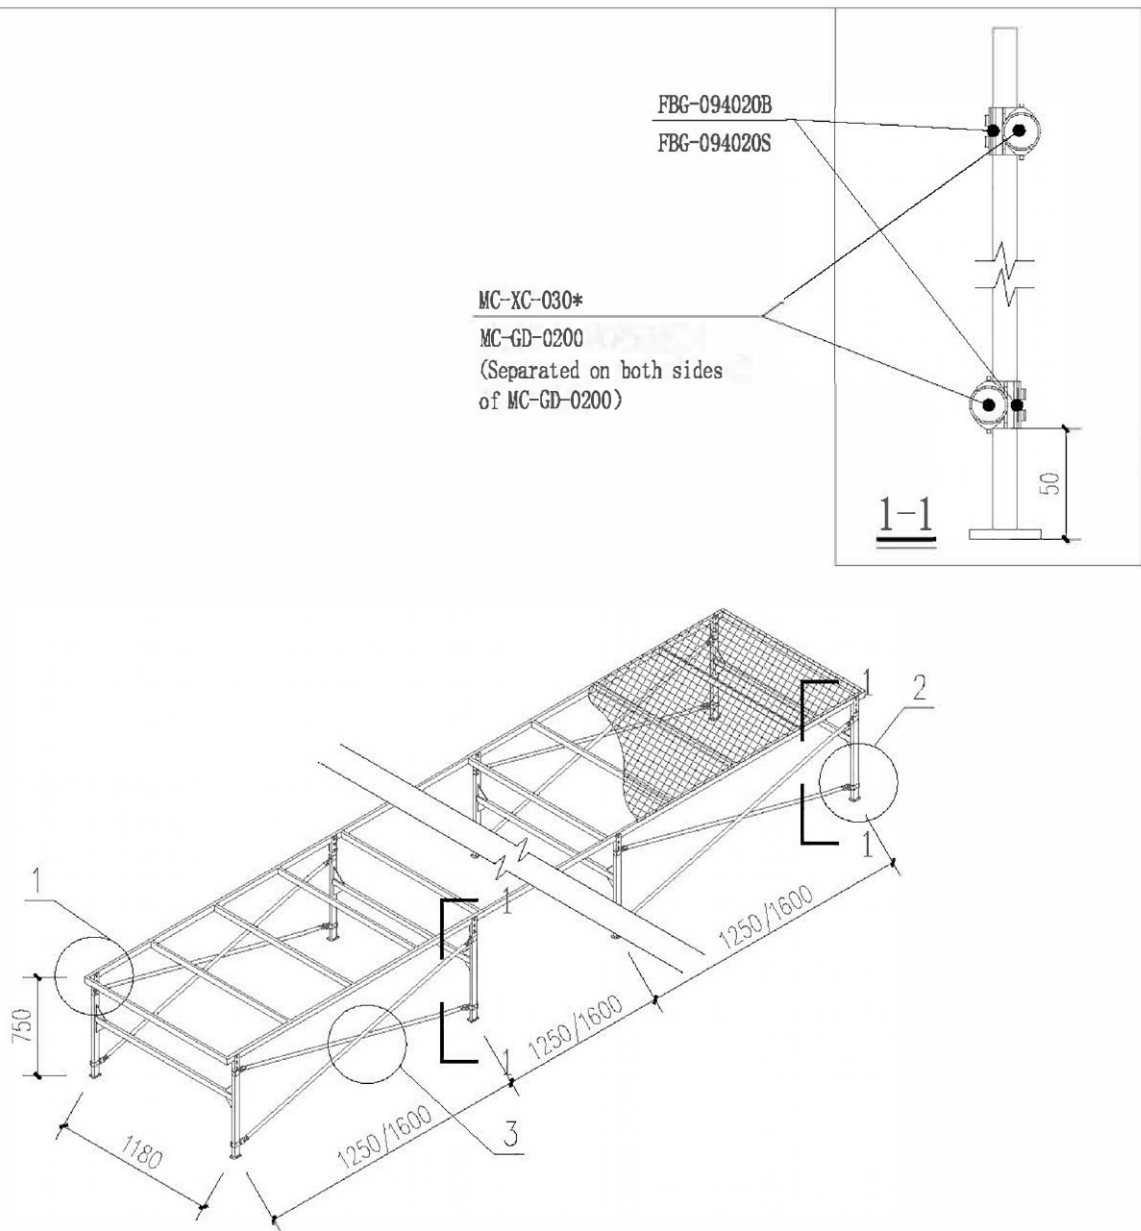

PRIMEHORT

Installation Guide: Seedbed

1 Installation of seedbed

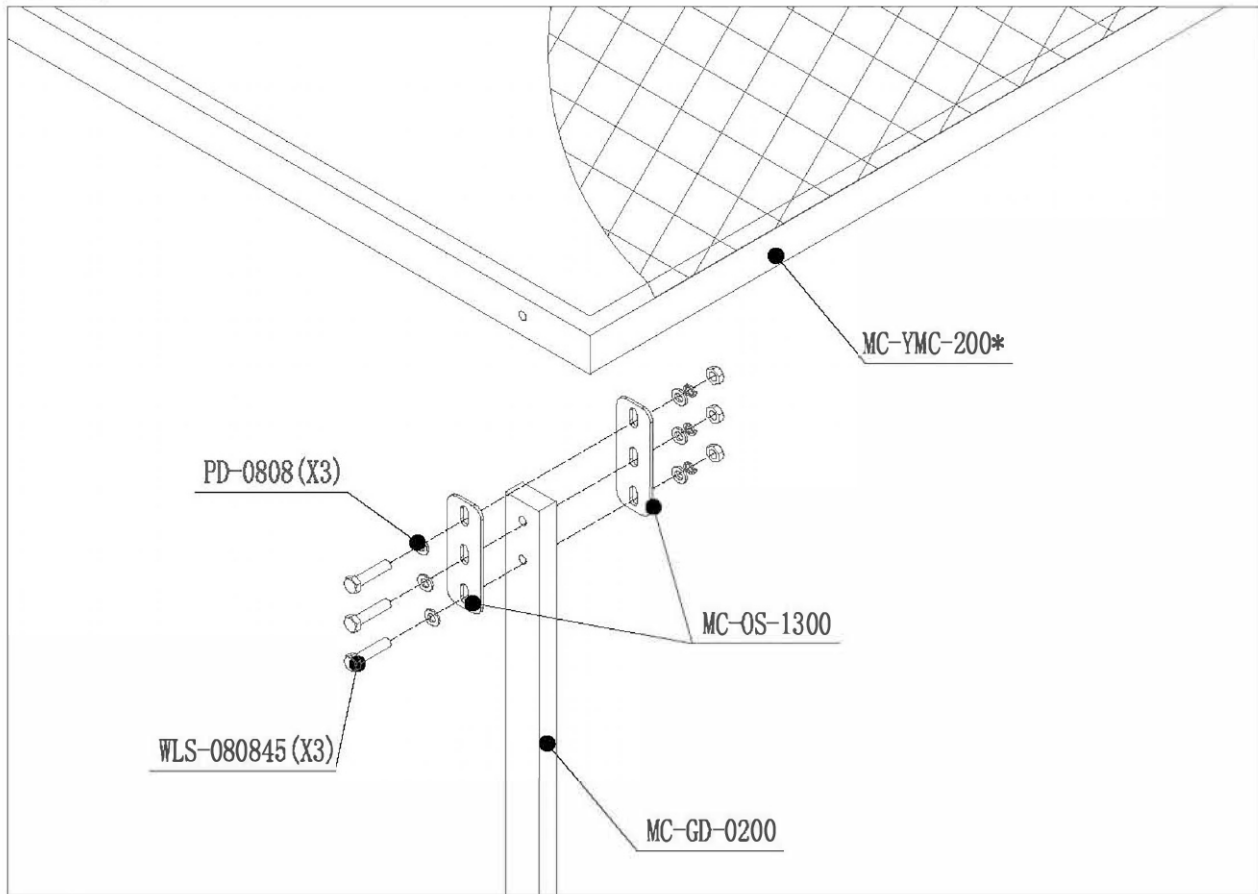

2. 16m single seedbed

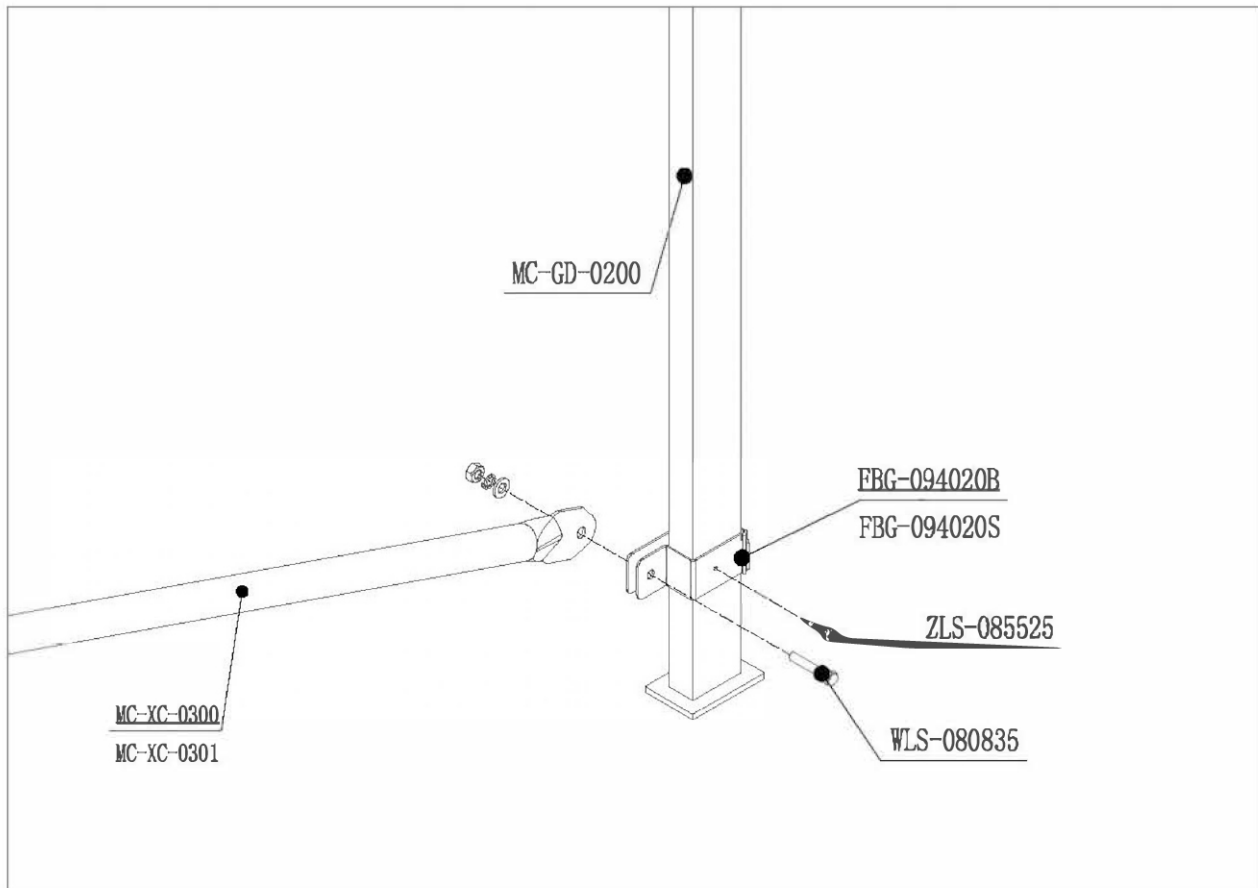

4m/5.3m single seedbed
